Game Leader

Thanks for agreeing to be a Game Leader! You get to add an element of excitement to the morning! Please show up at 9 am on Sunday to get set-up. Here's some great tips to help you out:

Know Your Game

The game should be uploaded onto Planning Center. Download it and look over it. If you have any questions, the time to ask is BEFORE Sunday morning! Think about who is going to play: everyone? just a few? the birthday people? There's nothing wrong with asking to practice once either!

Talk Into the Mic!

We can't hear you if you don't talk into the microphone. Even if you're just saying something for the person playing, say it into the mic! That way we all know what's happening. Rest it on your chin if it helps you keep it close.

Keep the Energy Going!

YOU are the one who is going to keep the game going. Smile! Enjoy being up there! Make sure the other people playing are having fun. Stay away from "This is dumb" statements. They don't help anyone.

Suggest Games!

Do you have a killer idea for a game? Do you want to look over the places Ronald usually gets the games? Let's talk! I'd love your input!
