

Middle School Ministry

Welcome Time

Thanks for being willing to start off the morning for Echo Students Middle School Ministries! You're the first person who gets to be up on stage on a Sunday and set the mood for the day! Be excited! Be pumped! It's going to be a great day! Please show up at 9 am!

Quick Tips

Talk into the mic and talk loud! Smile! Be excited and energetic!

Welcome

In your own words say:

Welcome to Echo Students Middle School Ministry!

Introduce Yourself

I'm (your name goes here) and I'm in (your grade goes here).

If you've got a Ronald approved funny joke or story, it goes here.

New Students

If this is your first time to hang out with us, please grab a GUEST INFO card from the Student Info wall over there (point to the wall) and fill it out. When you're done, show it to Ronald (or whoever is teaching that day) and they'll give you a Hebrews gift card for one free drink!

Game Time

And now, let's play a game! Here comes (insert name of student leading game here) to help us out.
